DEAR COLLEAGUE

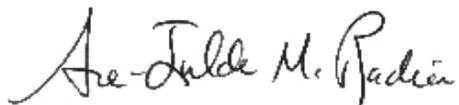

I am pleased to present the 2007 guidelines for Native American/Native Hawaiian Museum Services. These grants provide opportunities for Native American tribes and groups that primarily serve native Hawaiians to support activities in museum and museum-related organizations, such as cultural centers, that strengthen programming, encourage professional development, and sustain other museum services.

Over the past two years, this program has provided support to many worthy projects that have helped federally recognized tribes and groups that primarily serve native Hawaiians sustain and preserve cultural heritage and knowledge. These grants fund a full range of museum programs and activities, including collections management, staff training, public programming, strategic planning, and exhibition development. We encourage applicants to submit proposals for projects that fall within one of the following three categories—programming, professional development, and enhancement of museum services—and that are of particular relevance to their museum.

This program was established in the Museum and Library Services Act of 2003, which included, for the first time, the authority for IMLS to provide assistance to “Native American tribes and organizations primarily serving and representing Native Hawaiians.” These guidelines were developed in response to this legislation and with the advice of the tribal museum community and eligible tribes.

I invite you to read these guidelines, speak with IMLS staff, and consider applying for funding.

Sincerely,

Anne-Imelda M. Radice, Ph.D.
Director, Institute of Museum and Library Services

General Information

ABOUT THE INSTITUTE OF MUSEUM AND LIBRARY SERVICES

The Institute of Museum and Library Services is the primary source of federal support for the nation's 122,000 libraries and 17,500 museums. The Institute's mission is to create strong libraries and museums that connect people to information and ideas. The Institute works at the national level and in coordination with state and local organizations to sustain heritage, culture, and knowledge; enhance learning and innovation; and support professional development.

The Institute supports the full range of museums, including art, history, science and technology, children's, natural history, historic houses, nature centers, botanical gardens, and zoos; and all types of libraries, including public, school, academic, research, and archival. Our robust capacity for research, evaluation, policy analysis, grantmaking, and partnerships help make it possible for libraries and museums to be leaders in their communities.

Museums and libraries are America's leading public institutions, making knowledge available to millions at little or no cost. As public institutions they must meet a very high threshold of mission accountability and use resources wisely for public good.

Through grants and information resources, we annually reach thousands of museums and libraries in myriad ways—from providing much needed technical assistance for small institutions to establishing national and replicable models, strengthening state networks, and supporting professional development. To aid institutions in program design, we also provide tools for strategic planning and evaluation. Funding from the Institute helps museums and libraries operate effectively and give value to their communities. It also leverages additional public and private support.

Collecting and disseminating results from funded projects, engaging in research, and publishing reports enables the Institute of Museum and Library Services to make a significant contribution to library, museum, and information policy and practice in the United States.

ABOUT NATIVE AMERICAN/NATIVE HAWAIIAN MUSEUM SERVICES

The Native American/Native Hawaiian (NANH) Museum Services program promotes enhanced learning and innovation within museums and museum related organizations, such as cultural centers, organized by Native American tribes and organizations that primarily serve Native Hawaiians. The program provides opportunities for Native American tribes and Native Hawaiian organizations to sustain heritage, culture, and knowledge through strengthened museum services in the areas of programming, professional development, and enhancement of museum services. Projects will benefit their communities and audiences by connecting people to ideas, information, and learning experiences.

For FY2007, the program invites applications that focus on activities in the following areas:

Programming: Services and activities that support the educational mission of museums and museum related organizations, including (but not limited to) activities such as

- exhibits
- research and interpretation
- educational resources such as Web sites, curricula, digital content, and publications
- educational demonstrations and performances, including workshops, classes and presentations

Professional Development: Education or training that builds skills, knowledge or other professional capacity for individuals who provide or manage museum services activities. Individuals can be paid or volunteer, and

involved with museum services either currently or in the future. Activities include but are not limited to

- creation and offering of courses, workshops, in-person or distance learning offerings
- enrollment in courses, workshops, in-person or distance learning offerings
- attendance at conferences or other professional meetings
- hiring of consultants or technical assistance to strengthen museum services and activities
- organizational support for internships and fellowships (awards are not made to individuals)

Enhancement of Museum Services: Support for activities that enable and improve museum services, including (but not limited to)

- planning, including strategic planning, policy development, and disaster preparedness and risk management
- improvement implementation, including technology and other resources, equipment purchase, security, public access (construction projects are not allowed)
- heritage preservation, including collections care and management
- hiring of temporary or permanent staff to support museum services

Applicants are required to focus their proposed activities within one of the categories listed above.

INSTITUTIONAL ELIGIBILITY

Museums are not eligible to apply for this grant program. Entities such as museums, libraries, schools, tribal colleges, or departments of education are not eligible applicants, although they may be involved in the administration of this program and their staff may serve as project directors, in partnership with an eligible applicant. Eligible applicants are:

- Indian tribes **or**
- organizations that primarily serve and represent Native Hawaiians.

For the purposes of funding under this program, **“Indian tribe”** means any tribe, band, nation, or other organized group or community, including any Alaska native village, regional corporation, or village corporation (as defined in or established pursuant to the Alaska Native Claims Settlement Act (43 U.S.C. Section 1601 et seq.)) which is recognized by the Secretary of the Interior as eligible for the special programs and services provided by the United States to Indians because of their status as Indians. A list of eligible entities is available from the Bureau of Indian Affairs, except for the recognized Alaska native villages, regional corporations, and village corporations (Alaskan entities should refer to applicable provisions in the Alaska Native Claims Settlement Act, referenced above).

If a tribe has several bands, colonies, rancherias, communities, or other organizational entities listed in parentheses following a tribe name on the Department of Interior’s list of federally recognized tribes, only one of those entities may receive a grant in a fiscal year. For example, if a tribe has four bands, only one of the bands may apply for a grant in a fiscal year. It is the responsibility of the tribal chief executive to determine which entity will apply for the grant. IMLS will notify the affected tribes of any change in this policy.

For the purposes of funding under this program, **“organizations that primarily serve and represent Native Hawaiians”** means any non-profit organization that primarily serves and represents Native Hawaiians, as the term is defined in 20 U.S.C. Section 7517, is also eligible for funding. The term **“Native Hawaiian”** means (a) any individual who is a citizen of the United States, and (b) a descendant of the aboriginal people who, prior to 1778, occupied and exercised sovereignty in the area that now comprises the state of Hawaii, as evidenced by genealogical records; Kapuna (elders) or Kamaaina (long-term community residents) verification; or certified birth records.

ELIGIBLE ACTIVITIES AND COSTS

The Native American/Native Hawaiian Museum Services program is designed to strengthen the capacity of Native American and Native Hawaiian museums and museum related organizations. Applicants can use NANH funds to serve their communities and audiences by strengthening museum services in a number of ways, including but not limited to the following:

- Staffing
- Purchase of equipment, materials, supplies, or services
- Staff training, including enrollment in courses and workshops
- Program development and implementation
- Exhibition design and fabrication
- Integration of technology into exhibition or educational programs
- Costs associated with evaluation of grant programs or activities
- Research
- Publications
- Collections management and long-term collections care activities
- Digitization projects
- Improvement of technology and other resources
- Indirect or overhead costs
- Other museum activities

Grantees will be expected to evaluate the success of the project against the intended outcomes established in the original grant application. Information about outcome-based evaluation can be found on the IMLS Web site (www.imls.gov/applicants/obe.shtm) or may be requested from IMLS.

Non-Eligible Activities and Costs

- general museum fundraising costs, such as development office expenditures or other staff time devoted to general fundraising;
- contributions to endowment funds;
- acquisition of objects for the collection;
- costs of social activities, ceremonies, and other entertainment;
- pre-award costs (costs incurred prior to the effective date of the grant);
- construction and renovation of museum facilities (Any activity involving contract labor in the construction trades is not an allowable cost.);
- exhibit fabrication that includes creation of large scale permanent structures for animals or objects that would involve contract labor of the construction trades. (Exhibits fabrication may be an allowable cost. If you have a question about the eligibility of the scope of your exhibition activities, please call IMLS staff immediately.)

ELIGIBLE ACTIVITIES AND COSTS

Eligible Activities and Costs

Eligible expenses include but are not limited to

- staffing;
- purchase of equipment, materials, supplies or services;
- staff training;
- internship stipends and support activities;
- integration of technology into museum operations;
- publication;
- costs associated with evaluation of grant programs or activities;
- collection conservation activities, including the purchase of storage equipment such as shelving, installation of collections, HVAC systems, creation of collections storage facilities, object treatment, collections surveys, or historic structure renovation;
- indirect or overhead costs (see page 27).

Grantees are to comply with applicable government-wide cost principles.

DATA UNIVERSAL NUMBERING SYSTEM (DUNS)/ TAXPAYER IDENTIFICATION NUMBER (TIN)

DUNS

To improve the statistical reporting of federal grants and cooperative agreements, the Office of Management and Budget has directed all federal agencies to require all applicants for federal grants to provide a Dun and Bradstreet (D&B) Data Universal Numbering System (DUNS) Number when applying for federal grants or cooperative agreements.

Organizations should verify that they have a DUNS Number or take the steps needed to obtain one. Organizations can receive a DUNS Number at no cost by calling the dedicated toll-free DUNS Number request line at 1-866-705-5711 or by visiting www.dnb.com/us.

TIN

The Taxpayer Identification Number (TIN) is an identification number used by the Internal Revenue Service (IRS) in the administration of tax laws. It is issued either by the Social Security Administration (SSA) or by the IRS. A Social Security Number is issued by the SSA whereas all other TINs are issued by the IRS. An Employer Identification Number (EIN), also known as a federal tax identification number, is a nine-digit number that the IRS assigns to business entities. The IRS uses this number to identify taxpayers that are required to file various business tax returns.

If an organization does not have a DUNS and a TIN number, the application will be rejected.

CONDITIONS OF A GRANT

Duration of a Grant

Generally, project activities supported by grants may be carried out for a period of up to two years.

Project Start Date

Projects may begin no earlier than October 1, 2007 and no later than December 1, 2007. Projects must begin on the first day of the month and end on the last day of the month.

Amount of Grant

Native American/Native Hawaiian Museum Services awards range from \$5,000 to \$50,000. IMLS will review and negotiate budgets as necessary. Applicants may be granted an amount less than requested. Please note that applicants may submit only one application for funding through NANH for each application deadline

Cost Sharing

Cost sharing is encouraged but not required in this program. **IMLS does not allow federal funds to be used for cost sharing.**

All cost-sharing expenses must be incurred during the grant period, not before or after. Tribes must maintain documentation of cost sharing for reporting purposes to IMLS.

In-kind contributions may be used for cost sharing if they specifically relate to the project. If any funds are to be contributed as cost share by sources other than the applicant or its official partners, the applicant must identify whether the commitment of funds is assured or pending. If the funds are assured, the applicant should include a letter from the source affirming its commitment. If the funds are not assured, the applicant should describe its plan for meeting the promised cost share from other sources in the event that the pending funds are not received. Government-wide uniform administrative rules and requirements apply. Your cost sharing may consist of:

- cash contributions (funds allocated directly to the project by the applicant or a third party), and
- in-kind contributions (the value of noncash contributions provided by the applicant or a third party, e.g., staff time [if salaries are not paid with federal funds], volunteer time, materials and supplies, and services).

The limitation on using federal funding as cost share applies to salaries, equipment, services, etc., funded by federal dollars.

Costs such as rent (if space is owned by the tribe), utilities, and insurance are considered to be part of indirect costs and will not be accepted as direct costs requested from IMLS, or as part of direct cost in-kind contributions if an indirect cost rate or the 15 percent administrative fee is charged to the project. If personnel or resources funded by federal dollars are a part of the project design and/or management plan, their role may be described in the application narrative. Indirect costs may be used as cost sharing. Indirect costs, often referred to as overhead costs, are not attributable to a specific project or activity of an organization.

Maintenance of Effort

Although matching or cost sharing is not required in this program, IMLS requires that organizations maintain their previous funding efforts and demonstrate that federal funds will enhance rather than replace tribal funding for museum services. Applicants are encouraged, when possible, to contribute financially or through in-kind services to proposed projects in order to promote community interest and involvement.

Use of Funds

IMLS grant funds may be used only for costs directly related to the project such as costs for salaries for museum personnel, project supplies and materials, membership fees, telecommunication services and equipment, and other fees or expenses associated with the project.

Grant funds may not be used for construction, contributions to endowment funds, social activities, ceremonies, entertainment, collection acquisition, or pre-grant costs.

Projects should be investments in the organization that will have long-term institutional impact, not one-time activities. Any revenues generated with project funds during the grant period must be reported as program income and should be applied to the grant recipient's cost sharing or as specified in applicable OMB circulars. All listed expenses must be incurred during the grant period. Government-wide uniform administration rules and requirements apply, including appropriate OMB circulars.

For a list of allowable and unallowable costs, please see page 5.

Copyright/Work Products

IMLS requires acknowledgment of IMLS assistance in all publications and other products resulting from the project. Products should be distributed for free or at cost unless the recipient has received written approval from IMLS for another arrangement. With written permission, the recipient may copyright any work that is subject to copyright and was developed under an award or for which ownership was purchased. IMLS reserves, for federal government purposes, a royalty-free, worldwide, nonexclusive, and irrevocable license to reproduce, publish, or otherwise use the work and authorize others to reproduce, publish, or otherwise use the work. IMLS requires that grantees provide three copies of any products produced with IMLS funds to IMLS with final reports.

CONDITIONS OF A GRANT

Announcement of Award

No information about the status of an application will be released until all applications have been reviewed and all negotiations are concluded. IMLS will notify applicants of final decisions in September 2007.

Payment, Accounting, Management and Reporting Procedures

A federal accounting office handles the payment for Native American/Native Hawaiian Museum Service award recipients, and grantees may request cash advances or reimbursements as needed during the project period. Payments are made electronically. IMLS requires grant recipients to maintain a restricted account for funds received during the project period. Grantees do not need to maintain a separate bank account for IMLS grant funds; however, they must establish and maintain a separate accounting category within an internal accounting system to show that the funds have been used for project costs only. This restricted accounting record must be adequate to satisfy normal auditing procedures. Grants are subject to the provisions of Office of Management and Budget audit requirements. In addition, government-wide uniform grant administrative rules and requirements apply, including appropriate OMB circulars.

Grant recipients are required to submit semi-annual interim performance reports every six months during the grant period as well as annual financial reports. They are also required to submit a final performance report and a final financial report at the end of the grant period.

APPLICATION REVIEW AND EVALUATION

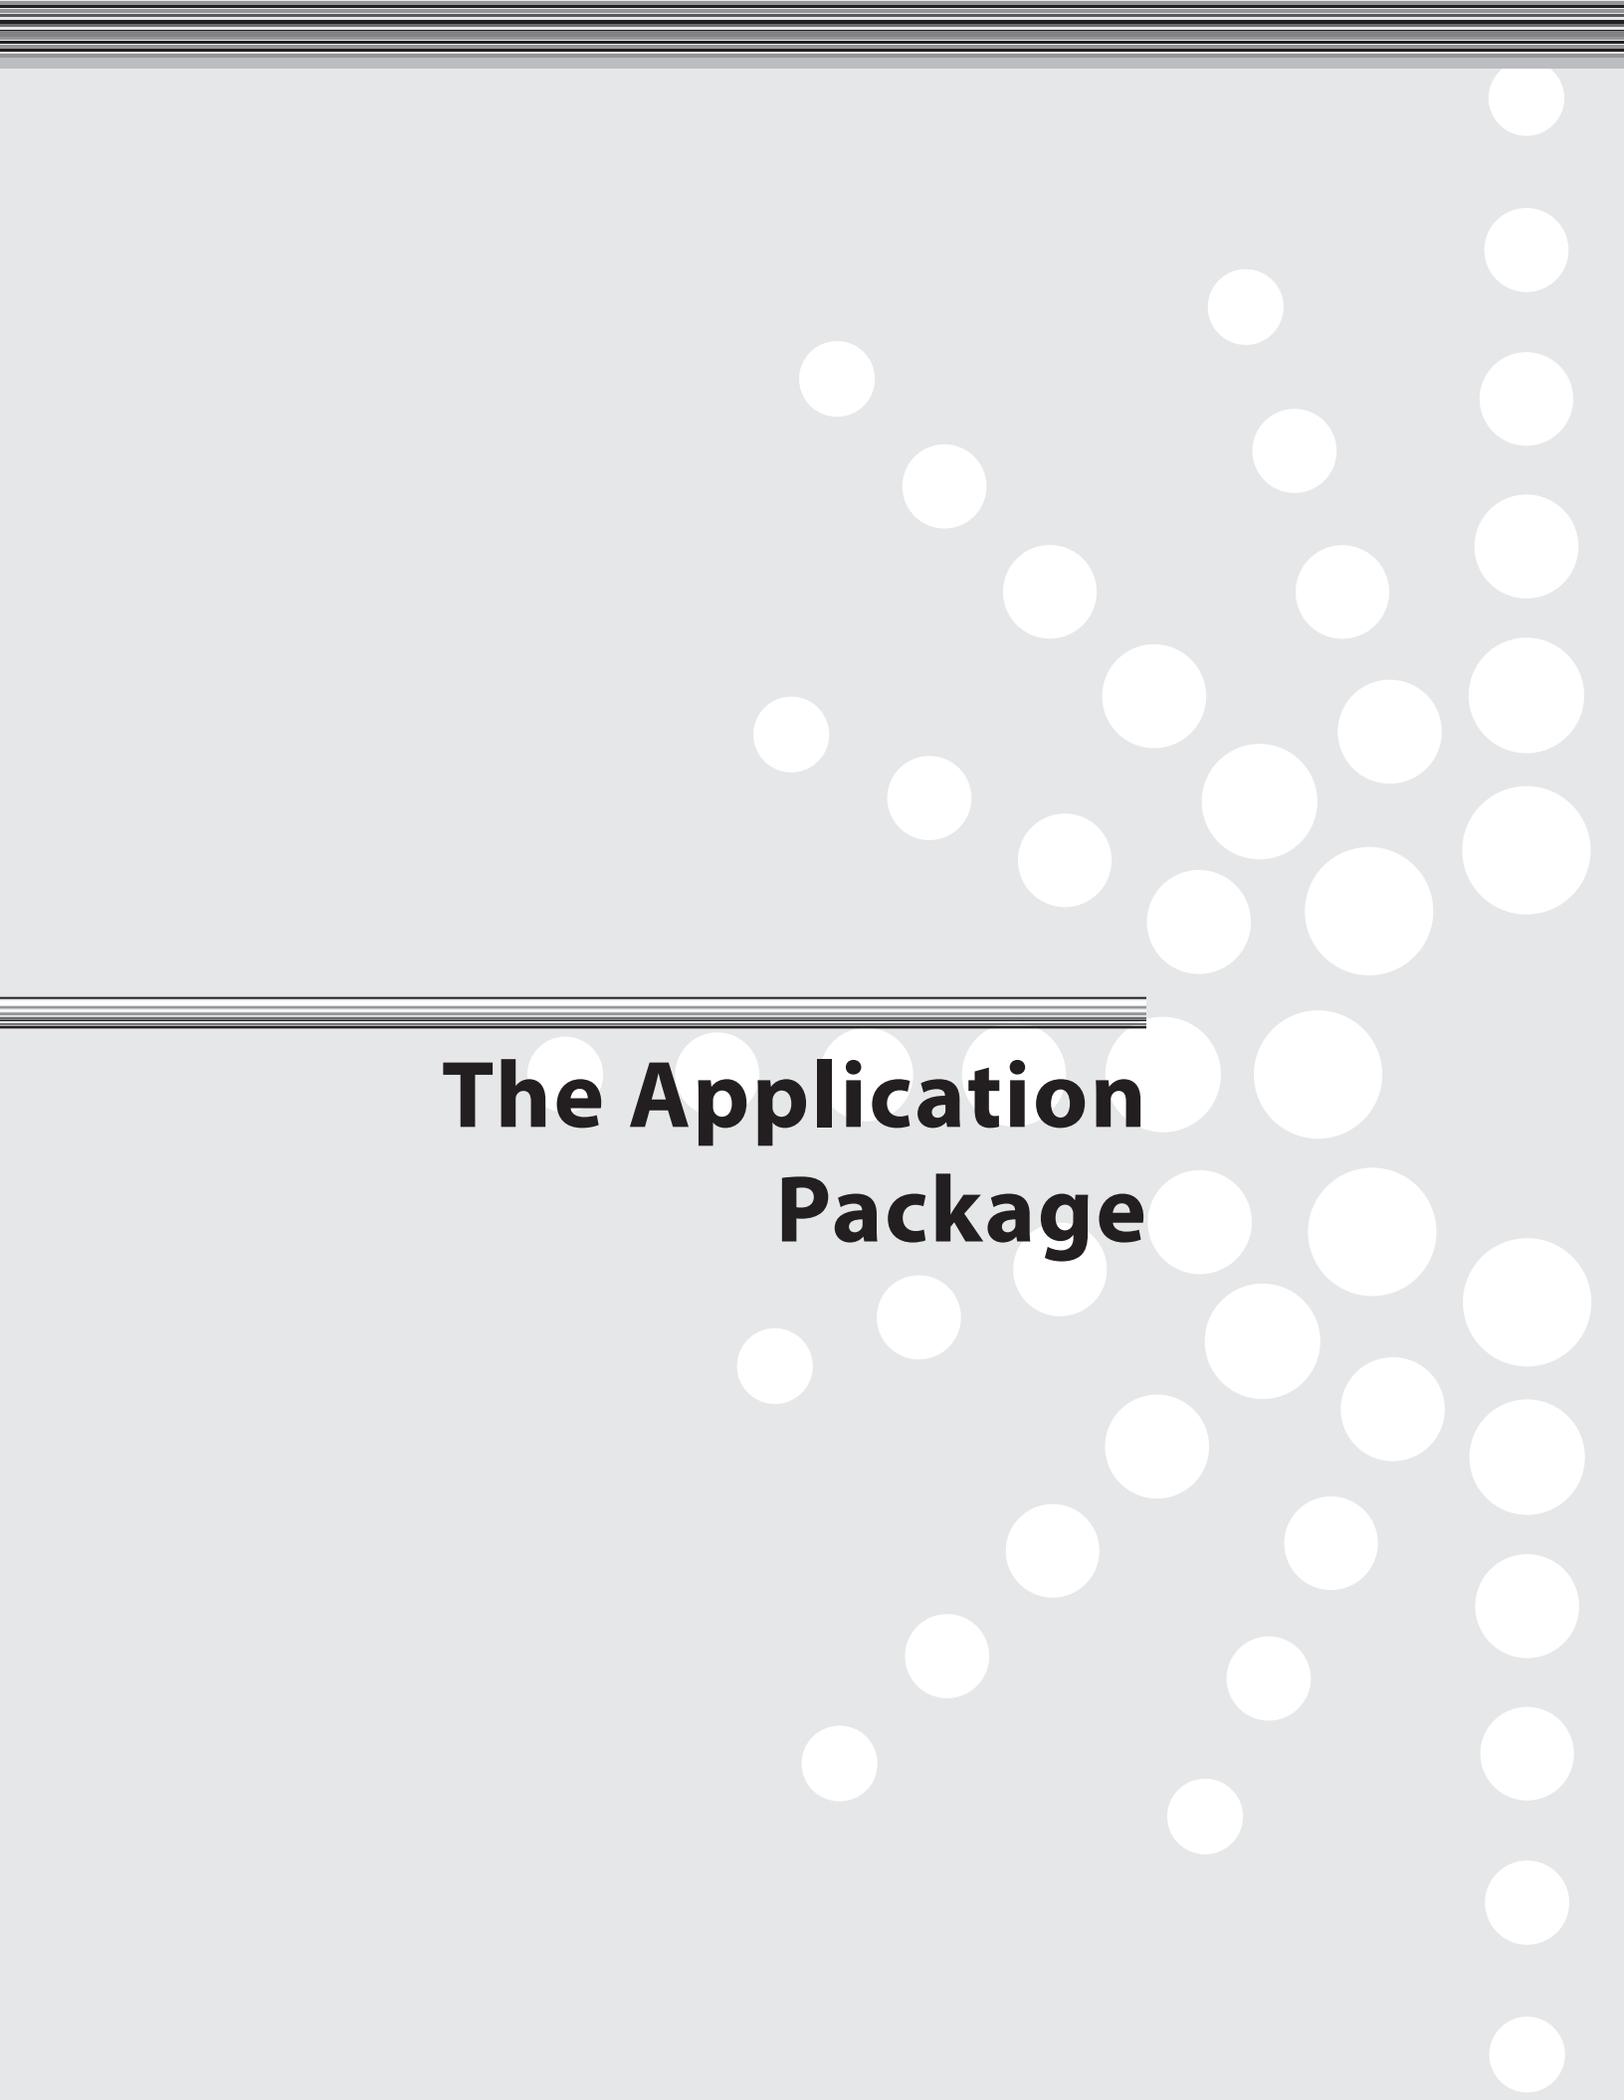

IMLS staff determines whether an applicant is eligible and whether an application is complete. IMLS staff may contact applicants for information needed to make an eligibility determination. If an applicant is determined to be ineligible as an official applicant, the application will be rejected without evaluation (see “Institutional Eligibility,” page 4). Incomplete applications are subject to rejection without evaluation. If an application is rejected, the applicant will be notified by mail.

All eligible applications for NANH grants will be evaluated by individual field review and/or panel review. Reviewers will have professional

experience in or relating to Native American and/or Native Hawaiian history and culture as well as experience with general museum operations. The IMLS Director makes the final funding decisions on the basis of the evaluations by reviewers and panels, the types of projects encouraged by IMLS, and the overall goals of the NANH program and of IMLS.

Reviewers provide their evaluation applying the review criteria listed with the narrative questions on pages 24–25. For examples of funded projects, search the Awarded Grants database at www.imls.gov/search.asp.

The Application Package

APPLICATION COMPONENTS

An application requesting NANH funding should include the following materials:

1. Face Sheet: the two-page form on pages 39–40 of this booklet or “Application for Federal Domestic Assistance/Short Organizational Form (SF-424S)” on Grants.gov, also available as a fill-in PDF form or Word document in the Grants.gov zip file or on the IMLS Web site.
2. Program Information Sheet: the three-page form on pages 41–43 of this booklet, which is available as a fill-in PDF form or Word document in the Grants.gov instructions zip file or on the IMLS Web site.
3. Narrative (not to exceed five pages). Include each question’s number and label.
4. Budget: the four-page form on pages 44–47 of this booklet, with the detailed budget pages replicated for each year. This form is available as a fill-in PDF form or Word document in the Grants.gov zip file or on the IMLS Web site.
5. Text Responses Document, which will include the following:
 - a. Statement of purpose/mission statement and history
 - b. Summary of project activities
 - c. Schedule of completion
 - d. Budget justification
 - e. List of key project staff and consultants
 - f. Resumes for key project personnel (no more than 2 pages per person)
6. Other attachments:
 - a. Proof of eligibility
 - b. Current federally negotiated rate for indirect costs, if applicable
 - c. Letters of commitment, if applicable
 - d. Optional attachments (not to exceed 20 pages)

APPLICATION OPTIONS

Applicants to the NANH program have two options for submitting their applications: (1) on paper or (2) through Grants.gov, the one-stop Web site for organizations looking for and applying for federal grant opportunities. The application instructions contained within these guidelines are designed to accommodate both the paper and the online application process. Applicants should feel free to contact NANH program staff at any time with questions about an application component.

Paper Applications

Applicants who wish to submit their application on paper are encouraged to visit www.imls.gov and download the fillable versions of the application forms, which are available in both Adobe PDF (Portable Document Format) and Microsoft Word. To open these files, applicants must have either the freely available Adobe Acrobat Reader or Microsoft Word software on their computers. (Visit www.imls.gov/plugins.shtm to link to free downloads.) *Caution:* Applicants using the free version of the Reader software cannot save the filled-out forms, so the forms must be completely filled in and printed in one operation. Applicants who have the full version of Adobe will be able to save filled-out forms. There are also many low-cost or free software packages that can help with saving documents as PDFs.

To learn more, see www.imls.gov/pdf/PDFConversion.pdf. As an alternative, applicants may re-create the forms electronically following the IMLS format or may type on printed forms.

Please see the “Assembling Paper Application Packages” and “Submitting Paper Applications” sections for instructions on printing, copying, and mailing paper applications.

GRANTS.GOV APPLICATIONS

Organizations that are applying under the April 1, 2007, deadline for the NANH program may submit their applications through Grants.gov, the federal government's online application system. Since April 1 is a Sunday, the Grants.gov system will accept applications through 11:59 P.M. Eastern time, April 2, 2007.

While the deadline is April 1, IMLS recommends strongly that applicants REGISTER EARLY (see "Grants.gov Registration" section below) and COMPLETE AND SUBMIT THEIR APPLICATIONS EARLY. Applicants are urged not to wait until the last day to submit their applications. Grants.gov can slow down during periods of high usage, which most often occur between 12:00 noon and 5:00 P.M. Eastern time, particularly on days near a deadline. Applicants will have a better experience if they submit their applications outside of these hours and in advance of the deadline.

Grants.gov Registration

All applicants who are using Grants.gov must register with Grants.gov before submitting their applications. The multistep registration process generally cannot be completed in a single day. Applicants who are not already registered should allow at least two weeks to complete this one-time process. **DO NOT WAIT UNTIL THE DAY OF THE APPLICATION DEADLINE TO REGISTER.**

Step-by-step instructions for registering are available at www.grants.gov/GetStarted. In addition, IMLS has created an easy-to-follow checklist for registering at www.imls.gov/applicants/grantsgov/checklist.shtm. Applicants who have problems registering should call the Grants.gov help desk at 1-800-518-4726; e-mail support@grants.gov; or consult the information posted on the Grants.gov Web site at www.grants.gov/CustomerSupport. The Grants.gov customer service hours are 7:00 A.M. to 9:00 P.M. Eastern time, Monday through Friday.

Applicants do not need to complete the registration process to download the application package and begin to prepare their material (see below). However, they will need their Grants.gov UserIDs and passwords, which are obtained during the registration process, to submit their completed applications.

Obtaining Application Packages

Electronic application packages are obtained directly from www.Grants.gov. Organizations applying through Grants.gov will first need to locate the NANH package on the site. To locate the package:

1. Go to www.Grants.gov.
2. In the left-hand column, click on “Apply for Grants,” then click on “Download a Grant Application Package and Instructions.”
3. This will take you to the “Download Application Package” screen. On this screen, enter one of the numbers below to locate the NANH Application Package:

CFDA No: 45.308

Funding Opportunity Number: NAHM-FY07

4. When an applicant starts an application, there are two items they need to download:

Download Application Instructions – This package contains the grant application guidelines (which include instructions for completing the application) and the IMLS forms for budget, program information and any others related to a specific program.

Download Application Package – This package has the Face Sheet (application for federal assistance) and the Attachment Form.

Applicants will need to download both of these packages to have all of the materials and forms they need to complete the application.

To access, complete, and submit the application package, applicants will need to have PureEdge Viewer, a small, free software program, installed on their computers. Applicants who do not already have this software can follow the instructions on Grants.gov for installing this program.

Please note that the PureEdge viewer is compatible with PCs running the Windows operating system. Non-Windows users will be able to download and complete the PureEdge forms by taking advantage of the free Citrix server. See www.grants.gov/MacSupport for more information.

The application package will download in a zipped file (.zip). Applicants will need to have software that unzips files to open them. Numerous freeware packages are available on the Internet. The .zip contents are also available on the IMLS Web site at www.imls.gov/grantsgov.

Working on an Application Package

1. When opening the application package that is saved on the applicant’s computer, the Grants.gov “Grant Application Package” screen will appear. In the “Application Filing Name” field, the applicant should enter the organization’s legal name.

GRANTS.GOV APPLICATIONS

2. The forms needed to complete the NANH application appear in the “Mandatory Documents” box. To open an item, click on it to select it, and then click on the “Open Form” button that is beneath the “Mandatory Documents” box. Forms cannot be opened by double-clicking. When a form is more than one page, navigate between pages by using the “Next” or “Previous” buttons at the top of the screen.
3. After working on a form, click the “Close Form” button at the top of the screen to capture entered information and return to the “Grant Application Package” screen. Before closing the “Grant Application Package” screen, click on the “Save” button. Until all of the required fields in all of the mandatory forms are completed, clicking on the “Save” button will generate an invalid values message. Click “Yes” to proceed. Grants.gov will also ask: “File Already Exists. OVERWRITE?” Clicking “Yes” will save the most recent changes to the existing file.
4. When a form is completed, click on the form name in the “Mandatory Documents” box to select it, and then click the “=>” button. This will move the form to the “Mandatory Completed Documents for Submission” box. All forms must be in the “Mandatory Completed Documents for Submission” box before an applicant will be able to submit an application. Forms can be worked on from either the “Mandatory Documents” or “Mandatory Completed Documents for Submission” box.

There are two forms in the “Mandatory Documents” box that every applicant must fill out before submitting an application:

1. Application for Federal Domestic Assistance/Short Organizational Form (SF-424S), which asks for basic information on the applicant’s organization and project. It is equivalent to the IMLS Face Sheet form in the conventional application package.
2. Attachments Form, which is not a form in the conventional sense, but rather a place to attach the other NANH forms and additional items that must be included for a Grants.gov application package to be considered complete.

Note: The Program Information Form and the Budget Form are also mandatory components of the NANH application. They are included in the downloaded .zip file in both Adobe PDF and Microsoft Word formats, and are also available on the IMLS Web site. They can be saved in either PDF or Word format, then attached to the application using the Attachments Form.

Before completing the required forms, applicants may want to activate the Help tool by clicking on the help button (looks like a question mark) in the tool bar. Applicants can then find instructions by positioning the cursor over each item or, where relevant, over the radio button for an item. Detailed instructions for certain items are provided in the next section.

Application Attachments

The forms and documents that must be attached to the Attachments Form are listed in their correct sequence below:

1. Program Information Form
2. Narrative
3. Budget Form
4. Text Responses document
5. Any remaining attachments

Several important points about the forms and documents to attach:

1. On the Attachments Form, there are 15 attachment buttons, labeled “Attachment 1” through “Attachment 15.” By clicking on a button, applicants will be able to choose the file from their computers that they wish to attach. Applicants should attach only one copy of each item. Applicants are encouraged to create multipaged documents that consolidate multiple attachments into one document, if possible.
2. Applicants must submit all attachments in one of the following formats: Microsoft Word (.doc), Adobe Portable Document Format (.pdf), Microsoft Excel (.xls), JPEG (.jpg), rich text (.rtf), or plain text (.txt). To save the PDF versions of either the Program Information Form or Budget Form as a PDF, applicants must use Adobe Acrobat Approval or the full Acrobat Standard or Professional Programs. (Acrobat Approval is no longer available for purchase, but existing versions will work.) *Caution:* Applicants using the free version of the Reader software cannot save the filled-out forms.
3. For documents that are not forms, applicants should make sure that pages are clearly labeled with the organization’s legal name and the name of the item (e.g., application narrative) and numbered sequentially.
4. Forms and document files should be labeled clearly and attached in the proper order so that IMLS can correctly identify attachments.
5. Applicants do not have to fill in all 15 Attachments Form buttons.
6. If unable to view an attachment by clicking the “View Attachment” button on the Attachments Form, applicants should check the bottom of the screen for the message, “Pop-ups were blocked on this page.” If this message is present, pressing “Ctrl” and “View Attachment” will enable the applicant to see the attachment.

Nonform documents, such as the narrative and Text Responses document(s), can be created with any software, but must be saved and submitted in one of the formats listed above. Applicants who do not have the software needed to convert files to PDF can use one of the many low-cost or free software packages available. To learn more, go to www.imls.gov/pdf/PDFConversion.pdf. Documents not available in an electronic format should be scanned and submitted as a PDF or JPEG file.

Grants.gov Help

For help on how to use Grants.gov, please see the help material on the Grants.gov Web site at www.grants.gov/CustomerSupport. Applicants can also e-mail the Grants.gov helpdesk at support@grants.gov or call them at 1-800-518-4726 from 7:00 A.M. to 9:00 P.M. eastern time, Monday through Friday.

The Grants.gov help desk will assign a case number to each inquiry. This number only documents the inquiry to the help desk, and is in no way related to the tracking number that Grants.gov will assign an application once it has been successfully submitted.

FACE SHEET/SF-424S

The IMLS Face Sheet is a two-page form located on pages 39–40. It is the equivalent of the “Application for Federal Domestic Assistance/Short Organizational Form (SF-424S)” on Grants.gov.

Note: Questions 1 to 4 will auto-fill for Grants.gov applicants and are not required for paper applicants.

5. Applicant Information

a. Legal Name: Enter the legal name of the organization that is making the application. Please see page 4 (Institutional Eligibility) for eligibility details. If the eligible entity does not have the authority to apply directly to IMLS for funding, enter the name of the parent organization that is submitting the application on behalf of the eligible entity. Enter the name of the eligible entity in the space provided for “Organizational Unit” on the Program Information Form, Question 1b.

b. Address: Use Street1 for the organization’s street address or post office box number, whichever is used for its U.S. Postal Service mailing address. Street2 is not a required field and should be used only when a Suite or Room Number or other similar information is part of the address.

In the Zip+4/Postal Code box, enter the full **nine-digit** Zip code assigned by the U.S. Postal Service. An organization’s full Zip code can be retrieved at www.usps.com/zip4.

d. Type of Applicant: After checking page 4 for NANH program eligibility, select the one code that best characterizes the applicant organization from the menu in the first drop-

down box. Leave the other boxes blank. Only the following types of applicants are eligible to receive NANH grants:

- Indian/Native American Tribal Government (Federally Recognized)
- Nonprofits with 501(c)3 IRS status—for Native Hawaiian applicants only

e. EIN/TIN: Enter the nine-digit number assigned by the IRS; do not use a Social Security number.

f. Organizational DUNS: All organizational applicants for federal funds must have a DUNS number. If applying through Grants.gov, ensure that the number entered here agrees with the number (either 9 or 13 digits) that was used with the CCR (Central Contractor Registry) as part of the Grants.gov registration.

g. Congressional District (Grants.gov applicants only—this field is not present on the paper form): Enter the number of the congressional district in which the applicant organization is located. Use the following format: two-letter state abbreviation, followed by a hyphen, followed by the three-digit district number. For example, if the organization is located in the 5th Congressional District of California, enter “CA-005.” For the 12th district of North Carolina, enter “NC-012.” If a museum does not have a congressional district (e.g., it is located in a U.S. territory that does not have districts), enter 00-000. To determine an institution’s district, visit the House of Representatives Web site at www.house.gov and use the “Find Your Representative” tool.

FACE SHEET/SF-424S

6. Project Information

a. Project Title: Provide a brief descriptive title.

b. Project Description: Briefly describe the specific project, not the applicant organization. Use clear language that can be understood readily by readers who may not be familiar with the discipline or subject area.

c. Proposed Project Start Date/End Date: Enter the beginning and ending dates for the requested period of support, that is, the span of time necessary to plan, execute, and close out the proposed project. NANH projects must begin between October 1, 2007 and December 1, 2007. Start dates must be the first day of a month and end dates must be the last day of a month.

7. Project Director

Provide the requested information for the Project Director, who will be responsible for carrying out the project and who will serve as the key contact person with IMLS regarding the progress achieved under the grant. Leave the Social Security number blank. Select a prefix (even though this field is not required on Grants.gov).

8. Primary Contact/Grants Administrator

Provide the requested information for the individual who should be contacted on all matters involving this application and the administration of any grant that may be awarded. For colleges and universities, this person is often a sponsored research, sponsored programs, or contracts and grants officer. In some museums, the person could

be the development director. Leave the Social Security number blank. Select the appropriate prefix (even though this field is not required on Grants.gov).

In some organizations, particularly smaller ones, this individual may be the same as the Project Director. If this is the case, check the "Same as Project Director" box. (If the primary contact/grants administrator is the same as the Authorized Representative, please complete all items under both 8 and 9 even though there will be some repetition.)

9. Authorized Representative

Enter the name and contact information of the person who has the authority to apply for federal support of the applicant's activities and enter into legal agreements in the name of the applicant. The Authorized Representative should not be the same person as the Project Director. By checking the "I Agree" box at the top of Item 9 and signing the application, this individual certifies the applicant's compliance with relevant federal requirements (the "IMLS Assurances and Certification" section, page 49). All written correspondence will be addressed to the authorized representative.

For Grants.gov applications, the "Signature of Authorized Representative" and "Date Signed" boxes will be populated upon submission of the application. Submission of the application by the Authorized Representative certifies compliance with relevant federal requirements as the signature does on a paper application.

PROGRAM INFORMATION SHEET

1. Applicant Information

a. Legal Name: Enter the legal name of the applicant.

b. and c. Organizational Unit and Address:

If the eligible entity cannot apply for grants on its own behalf, then enter the name and address of the entity in these spaces. For example, if a museum or library that is part of a parent organization, such as a university, is applying, the university would be the legal applicant, and the museum or library would be entered as the organizational unit. Be sure to include the four-digit extension on the Zip code.

d. Web Address: If an organizational unit is listed, enter its Web address here. If not, enter the Web site of the entity listed at Legal Name.

e. Type of Institution: Select the one that most accurately describes the applicant.

2. Grant Program or Grant Program Category

Select one of the categories listed under “h. Native American/Native Hawaiian Museum Services” as detailed in About Native American/Native Hawaiian Museum Services (page 3). Consider project goals, tasks, and costs when selecting a funding category. Proposed projects may touch on elements found within multiple categories, however this will provide no advantage in the review process.

3. Request Information

a. Amount of Grant Money Requested: Enter the amount sought from IMLS. This amount may not exceed \$50,000, including indirect costs if requested.

b. Cost Share Amount: This program does not require cost sharing. See section on Cost Sharing (page 8) for details.

4. Museum Profile

Applicants with museums should complete this section.

5. Public Broadcasting Licensee Information

NANH applicants should skip this section.

6. Native Hawaiian Organization Eligibility

Complete this section only if applicant is an organization servicing Native Hawaiians. If “yes” is selected, proof of eligibility is required with submission of application—see section on Proof of Eligibility (page 32) for details.

7–8.

NANH applicants should skip these sections.

NANH NARRATIVE

The application narrative must

- answer each section in the order listed below, labeled and numbered;
- have the applicant organization's name at the top of each page;
- have each page numbered;
- be no more than five single-spaced, one-sided pages in length;
- have a margin of at least 0.5 inch on all sides;
- use no smaller than a 12-point typeface with no more than six lines per vertical inch and standard spacing between letters; condensed fonts are not acceptable; handwritten applications are not acceptable.
- not include detailed budget discussions. These should be included in the "Budget Justification" section (see page 31)

IMLS reviewers base their evaluations only on the information presented in the application. This makes it very important for applicants to prepare a clear, concise, well organized document. Applicants must address each

question separately, and in the same order in which they are listed below. The following pages provide guidance in preparing the narrative component of the NANH grant application. There are three sections to the narrative. Each section must be addressed in the order presented and must be labeled with number and section title to guide reviewers in their evaluation of the proposal.

Review criteria are listed with each section of the narrative. These criteria describe what the reviewers are instructed to consider as they evaluate the proposal. A well-designed proposal narrative is thorough and succinct while addressing the bullet points under each section as well as the review criteria.

Grants.gov applicants should use the Attachments Form to attach the narrative to their applications. Attachments will be accepted in only one of the following formats: Microsoft Word (.doc), Adobe Portable Document Format (.pdf), Microsoft Excel (.xls), JPEG (.jpg), rich text (.rtf), or plain text (.txt).

IMLS reviewers base their evaluations only on the information presented in the application. This makes it very important for applicants to prepare a clear, concise, well organized document. Applicants must address each question separately, and in the same order in which they are listed below.

1. Statement of Need

Include a statement of need as it relates to the museum and the community. Include information such as

- a description of the community
- current status of the museum
- how the proposal will improve museum services
- impact on the community from improved museum services

Review Criteria: Evidence that the applicant has performed a formal or informal assessment of museum and community needs, and has developed the project and its goals as the best solution to answer those needs.

2. Project Purpose and Plan

Include a description of the proposed project description and plan. Include information such as

- project goals and objectives
- action steps and activities to implement the project
- evidence that the applicant is capable of implementing the project plan
- evidence that the applicant is capable of successfully completing the project

Review Criteria: Evidence that the project proposes efficient, effective, and reasonable approaches to accomplish its clear goals and objectives. Evidence that the methodology and design are appropriate to the scope of the project. Evidence that the applicant will effectively complete the project. Evidence that the project personnel possess appropriate experience and will commit adequate time to accomplish project goals and activities.

3. Impact and Evaluation

Describe how the project will impact the museum and what approach will be used for monitoring and assessing the activities of the project. Include information such as

- specific outcomes that will result from the project;
- plan to maintain and continue the positive changes after the period of federal funding;
- what information will be collected to document the extent to which the project met its goals

Review criteria: Evidence that the project will create specific changes and benefits for the applicant, and/or the community served. Evidence that the applicant has plans to sustain those changes and benefits beyond the grant period. Evidence that the evaluation plan ties directly to the project goals and is appropriate in determining project impact.

BUDGET

The NANH application requires three elements to describe the costs of a proposed project. The Detailed Budget for each year of the project and the Summary Budget that describes costs for the entire project are both part of the four-page Budget Form on pages 44–47. The third element is the Budget Justification, which is referenced below and further explained in the “Text Responses Document” section.

Section A: Detailed Budget

Applicants need to fill out a copy of the Detailed Budget Form for each year of the project. The first copy of the Budget Form should begin on the project start date and end 12 months later. Applicants using the PDF or Word fill-in forms can fill out the form for one year, save or print it, then fill it out again for the remaining years. Applicants using the PDF fill-in forms will notice that the columns add their amounts automatically, whereas applicants using the Word forms will have to add their amounts manually.

The budget should include the project costs that will be charged to grant funds. Cost sharing is not required for this program. See section on Cost Sharing (page 8) for details. All of the items listed must be reasonably necessary to accomplish project objectives, allowable in terms of the applicable federal cost principles, auditable, and incurred during the grant period. Charges to the project for items such as salaries, fringe benefits, travel, and contractual services must conform to the written policies and established practices of the applicant organization. When indirect costs are charged to the project, care should be taken to ensure that expenses included in the organization’s indirect cost pool (see “Indirect Costs” below) are not charged to the project as direct costs.

“Method of Cost Computation” can refer to a percentage of a person’s time devoted to the project, a number of days, a quantity of items, and so on. This column should clarify how the applicant arrived at the costs indicated.

1. Salaries and Wages: Indicate both temporary and permanent staff by noting “temp” or “perm” in parentheses after each staff member listed.

2. Fringe Benefits: Fringe benefits may include contributions for Social Security, employee insurance, pension plans, and so on. Only those benefits not included in an organization’s indirect cost pool may be shown as direct costs.

3. Consultant Fees: List the individuals or groups who will provide consultative services on the grant and their fees, and explain the method of computation for the fees.

4. Travel: Applicants must include \$2,000 per year for travel to attend IMLS-designated meetings. The lowest available commercial fares for coach or equivalent accommodations must be used, and foreign travel must be undertaken on U.S. flag carriers when such services are available.

5. Materials, Supplies, and Equipment: List specific items necessary to support the implementation of the project, and explain the method of cost computation.

6. Services: List the costs of project activities to be undertaken by a third-party contractor, including a partner under this budget category. Attach a complete itemization of these costs to the IMLS Budget Form. If there is more than one contractor, list the cost of each contract separately on the IMLS Budget Form and with an attached itemization.

7. Student Support: NANH applicants should leave this section blank.

8. Other Costs: Please do not use the “Other Costs” section to list items that did not fit in the number of lines allotted for another section. If more lines are needed, the information should be summarized in the Budget Form and further explained in the Budget Justification.

9. Indirect Costs: Indirect costs are project costs that an organization incurs that cannot be easily assigned to an individual project. They are also called “overhead” or “administrative costs.” Examples of indirect-cost type items are charges for utilities, insurance, use of office space and equipment owned by the applicant, local telephone service, and the salaries of the management and administrative personnel of the organization.

Organizations that do not have a federally negotiated indirect cost rate and do not wish to negotiate one may charge an administrative fee to the project of up to 15 percent. IMLS will pay this administrative fee only on that portion of direct project costs that are supported by IMLS funds. This fee may also be applied to the direct project costs that will be supported by the applicant and may therefore be counted as part of the applicant’s cost sharing. If an applicant chooses this option, it must be careful to exclude all indirect-cost type items from the budget and the fee may not be applied to more than the first \$5,000 of distorting costs such as equipment purchases or subcontracts.

BUDGET

If an organization has a federally negotiated indirect cost rate that will be current on the date of award, as cited on the award notification, this rate may be used to determine total project costs, as long as the rate is applied in accordance with the negotiated agreement and a copy of the negotiation is forwarded to IMLS with the application. However, IMLS will pay indirect costs only on the portion of the direct costs that are supported by IMLS funds. Indirect costs that are related to the direct project costs that will be supported by the applicant may be included in the budget only as a part of the applicant's cost sharing. IMLS will not accept an indirect cost rate that is scheduled to expire before the award is issued.

An organization that is in the process of negotiating an indirect cost rate with a federal agency may apply the proposed rate to estimate total project costs as long as it follows the instructions in the previous paragraph in applying the rate and includes the indirect cost proposal in the application material. IMLS will not pay any indirect costs until a rate is negotiated and a copy of the final agreement is submitted to the OGA. It is possible that the amount of the award will be reduced if the final negotiated rate is less than the rate that was used in the application budget. However, the amount of the award will not be increased if the negotiated indirect cost rate is higher than the rate proposed in the application.

Once an indirect cost rate is accepted by IMLS, the rate shall be considered fixed for the duration of the award even if, during the course of the award, the grantee negotiates a new indirect cost rate.

If a grantee has one or more predetermined rates negotiated at the time of the award, e.g., 30 percent the first year and 32 percent the second year, these rates may be used in the project budget. However, in the example given above, if the grant period ran more than two years, the last predetermined rate would apply not only to the second year of the grant but also to any subsequent years.

These instructions also apply to an organization that will function as a partner in undertaking grant activities.

Section B: Summary Budget

The Summary Budget should clearly identify the amount requested from IMLS.

TEXT RESPONSES DOCUMENT

For the following application items, create a single document that includes all of the items below, in the order listed below. When it is finished, please run spell check (if available). The Text Responses Document must

- supply information in the order requested;
- include the title (e.g., Schedule of Completion) for each item;
- have the applicant organization's name at the top of each page;
- have a margin of at least .5 inch on all sides;
- have each page numbered.;
- use no smaller than a 12-point typeface with no more than six lines per vertical inch and standard spacing between letters; not use condensed fonts; not be handwritten

Grants.gov applicants should save the document with the file name "TextResponses." Applicants will use the Attachments Form to add this document to their applications. Attachments will be accepted in only one of the following formats: Microsoft Word (.doc), Adobe Portable Document Format (.pdf), Microsoft Excel (.xls), JPEG (.jpg), rich text (.rtf), or plain text (.txt).

Statement of Purpose/Mission Statement and History

The Statement of Purpose and History includes a mission statement and brief background history for the reviewers that

- notes the source, approving body, and date of the official document in which it appears;
- may be quoted from or summarized to convey the essential points of the statement if the statement is too long to be quoted in full;
- must accurately portray the applicant's purpose or mission;
- includes a brief history of the museum or applicant organization; and
- is one page or less

TEXT RESPONSES DOCUMENT

Summary of Project Activities

A summary of project activities not exceeding one single-spaced (2,000-word maximum) page must be provided. Information in the summary should cover the following areas as related to the proposed project:

- Who is the lead applicant and who are the partners, if applicable?
- What is the time frame for the project?
- What will be the project's activities, outcomes, and tangible products?

This summary may be used by IMLS for public information purposes, so it should be informative to other persons working in the same or related fields and understandable to a technically literate lay reader. The summary must not include any proprietary or confidential information.

Schedule of Completion

The applicant must provide a Schedule of Completion that shows when each major project task will be undertaken, marks the milestones for each grant activity, and designates how grant funds are to be spent throughout the project. The Schedule of Completion must also correspond to the activities described in the narrative and the project dates on the Face Sheet and Budget pages. One way to plot this information is in a graph or chart that lists project activities and the corresponding months when these activities will take place during the project. This document may be created as a narrative or spreadsheet, and should be no longer than one page per year. See page 48 for an example.

Budget Justification

The Budget Justification should explain all elements of the Detailed Budget. For example, the Budget Justification should explain the role that each person listed in the project budget will play. It should also provide justification for all proposed equipment, supplies, travel, services, and other expenses. The application should provide specifications for all hardware and software for which IMLS funding is requested.

If IMLS funding is requested for salaries of permanent staff, the proposal should explain why funds are requested for this purpose and how the regular duties of these individuals will be performed during the grant period. The Budget Justification should explain the role of any outside consultants and third-party vendors to be employed on the project and how each was identified and selected. Costs for third-party service providers should be documented by bids or otherwise justified.

The cost of project activities to be undertaken by a third-party contractor, or a partner, should be listed under “Services” on the Detailed Budget as a single line item that shows the amount that will be charged to IMLS grant funds. A complete itemization of these costs should be included as part of the Budget Justification. If there is more than one contractor, the cost of each contract must be listed separately on the IMLS Budget Form and an itemization must be included as part of the Budget Justification.

List of Key Project Staff and Consultants and Resumes for Key Project Personnel

1. Provide a list of the key project staff and the consultants who will be directly involved in the program.
2. Add resumes or curriculum vitae of no more than two pages each for all key project staff and consultants. Add a page break at the end of the list of personnel, then add page breaks at the end of each of the resumes/vitae.
3. If the key project staff and consultants have not been selected by the application deadline date, then submit position descriptions instead of resumes.

OTHER ATTACHMENTS

Proof of Eligibility

Eligible applicants are:

- Indian tribes **or**
- organizations that primarily serve and represent Native Hawaiians.

For the purposes of funding under this program, **“Indian tribe”** means any tribe, band, nation, or other organized group or community, including any Alaska native village, regional corporation, or village corporation (as defined in or established pursuant to the Alaska Native Claims Settlement Act (43 U.S.C. Section 1601 et seq.)) which is recognized by the Secretary of the Interior as eligible for the special programs and services provided by the United States to Indians because of their status as Indians. A list of eligible entities is available from the Bureau of Indian Affairs, except for the recognized Alaska native villages, regional corporations, and village corporations (Alaskan entities should refer to applicable provisions in the Alaska Native Claims Settlement Act, referenced above). See Institutional Eligibility (page 4) for details.

Required for Native Hawaiian organizations only. If the applicant is not a Native Hawaiian organization, do not include this information in application.

Applicants must submit proof that they are eligible not-for-profit organizations that primarily serve and represent Native Hawaiians (as defined in section 7207 of the Native Hawaiian Education Act). As proof of eligibility, applicants must submit the organization’s charter documents, including the organization’s articles of incorporation. Applicants may provide additional proof of eligibility.

In addition, eligible not-for-profit organizations that primarily serve and represent Native Hawaiians must submit proof of not-for-profit status, which may be either

- a copy of the IRS letter indicating the organization’s eligibility for not-for-profit status under the applicable provisions of the Internal Revenue Code of 1954, as amended, or
- an official document identifying the organization as a unit of state or local government or other tax-exempt multipurpose organization. If prepared specifically for this application, the certification must be on the parent organization’s letterhead and certified by an official of the parent organization.

Note: IMLS will not accept a letter of sales tax exemption as proof of nonprofit status.

Letters of Commitment

Applicants must submit a letter of commitment for each project consultant. The letter should include

- confirmation that the consultant will work on the project if funded
- dates of service, scope of work, and fee structure

The information in this letter must correspond to the information in the application narrative.

Optional Attachments

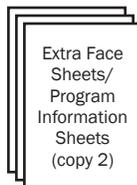

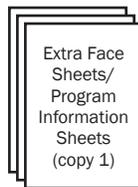

These optional documents specifically relate to the justification for the project.

- IMLS encourages applicants to include only information that will supplement the narrative and support the information provided in the application. Applicants should not use attachments to answer narrative questions.
- IMLS strongly encourages inclusion of needs assessments (formal or informal documentation used to evaluate and plan projects, which can include surveys, reports, etc.); reports from planning activities; products or evaluations from previously completed or ongoing projects of a similar nature; or other documents for the evaluation of the proposal.
- Other attachments could include letters of support from partners or other groups that the museum works closely with on this project, collections, technology, or other departmental plans for the institution as applicable to the proposed project.
- Total attachments are limited to 20 one- or two-sided pages. This includes any books. If they are over 20 pages in length, they will not be included in your application and cannot be returned.
- IMLS will remove any supplemental materials above the 20-page limit. They will not be sent to field reviewers as part of your application and cannot be returned.

ASSEMBLING PAPER APPLICATION PACKAGES

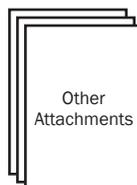

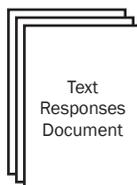

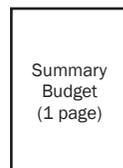

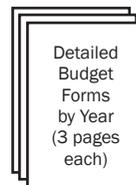

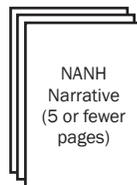

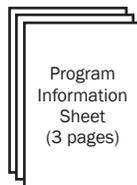

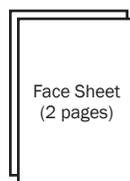

Review your application package carefully before sending it to us. You must include all of the required items listed below and the proper number of copies. (Each item is described in detail in Step 2.) Your application is subject to rejection without review if any required item is missing. If you have any questions, contact NANH Program staff.

Step One: Make two photocopies of your Face Sheet and Program Information Sheet.

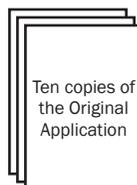

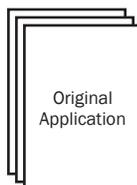

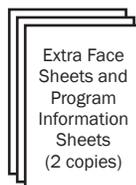

Note: Make sure to copy all 5 pages of the Face Sheet and Program Information Sheet

Step Two: Collate ONE original (complete) copy of your application as follows:

Step Three: Make TEN identical sets of the material assembled in Step Two.

Step Four: Collate your piles from Steps One thru Three as follows:

Step One

Step Two

Step Three

Do not use staples to fasten pages together; use binder clips or other removable binding.
Please Note: IMLS will not do your photocopying or collating!

Your materials are now ready to send to IMLS!

SUBMITTING GRANTS.GOV APPLICATIONS

1. In the top left corner of the Grants.gov menu screen, applicants will see “Submit,” “Save,” “Print,” “Cancel,” and “Check Package for Errors” buttons.
2. Once applicants have completed the NANH application (i.e., all of the Mandatory Documents have been completed and moved to the “Completed Documents” box), they should click the “Check Package for Errors” button to double-check that they have provided all required information.
3. Applicants should then click the “Save” button one last time to make sure that all of the most current information is saved. (At this point, the invalid values message should not pop up.)
4. Applicants should print out a hard copy of the completed application for their files. Clicking the “Print” button will print out all of the forms in the “Mandatory Completed Documents for Submission” box. Applicants who desire a hard copy of the items attached to the Attachments Form will have to print those out on their own.
5. The authorized official will click the “Submit” button. The “Submit” button will not become active until the application is saved with all required fields completed. Clicking this button will reconnect the user to Grants.gov and the Internet. The authorized official will be prompted to provide the Grants.gov UserID and password that were obtained during the Grants.gov registration process.

Applicants should be certain that they are satisfied with their application before clicking the “Submit” button. No changes or revisions are possible once the application is submitted.

Grants.gov will put a date/time stamp on each application after it is fully uploaded. The time it takes to upload an application will vary depending on a number of factors, including the size of the application, the speed of the applicant’s Internet connection, and the number of other applications (for grants from a variety of federal agencies) being sent to Grants.gov at the same time.

Since April 1 is a Sunday, applications can be submitted until 11:59 P.M. (Eastern time) on April 2. However, applicants are strongly encouraged to submit applications early, in case of delays resulting from heavy online traffic or to deal with any last-minute problems that may be encountered.

6. Upon submission of the application to Grants.gov, the Grants.gov tracking number assigned to the application will display on the screen. Applicants should print out a copy of this notification number for their records. The tracking number also will be e-mailed to the authorized organization representative.
7. After the NANH deadline (April 1, 2007), applicants will receive a notification via e-mail from Grants.gov when IMLS retrieves their applications from Grants.gov.

SUBMITTING PAPER APPLICATIONS

Since April 1, 2007 is a Sunday, the IMLS will accept applications postmarked no later than April 2, 2007. Ship or hand-deliver applications to:

Native American/Native Hawaiian Museum Services

Office of Museum Services
Institute of Museum and Library Services
1800 M Street, NW, 9th Floor
Washington, DC 20036-5802

Shipping

- All applications must be postmarked no later than the application deadline. Applications that do not meet the postmark deadline will be rejected without evaluation.
- Please consider using commercial delivery services. Applications need not be sent overnight; ground service is acceptable.
- If the U.S. Postal Service must be used, IMLS recommends certified or registered mail.
- Because of the length and number of copies required for complete submission, applications cannot be accepted by fax or e-mail.
- In the event that a deadline falls on a day U.S. post offices are closed, such as Sundays and federal holidays, IMLS will accept proposals postmarked the next business day.

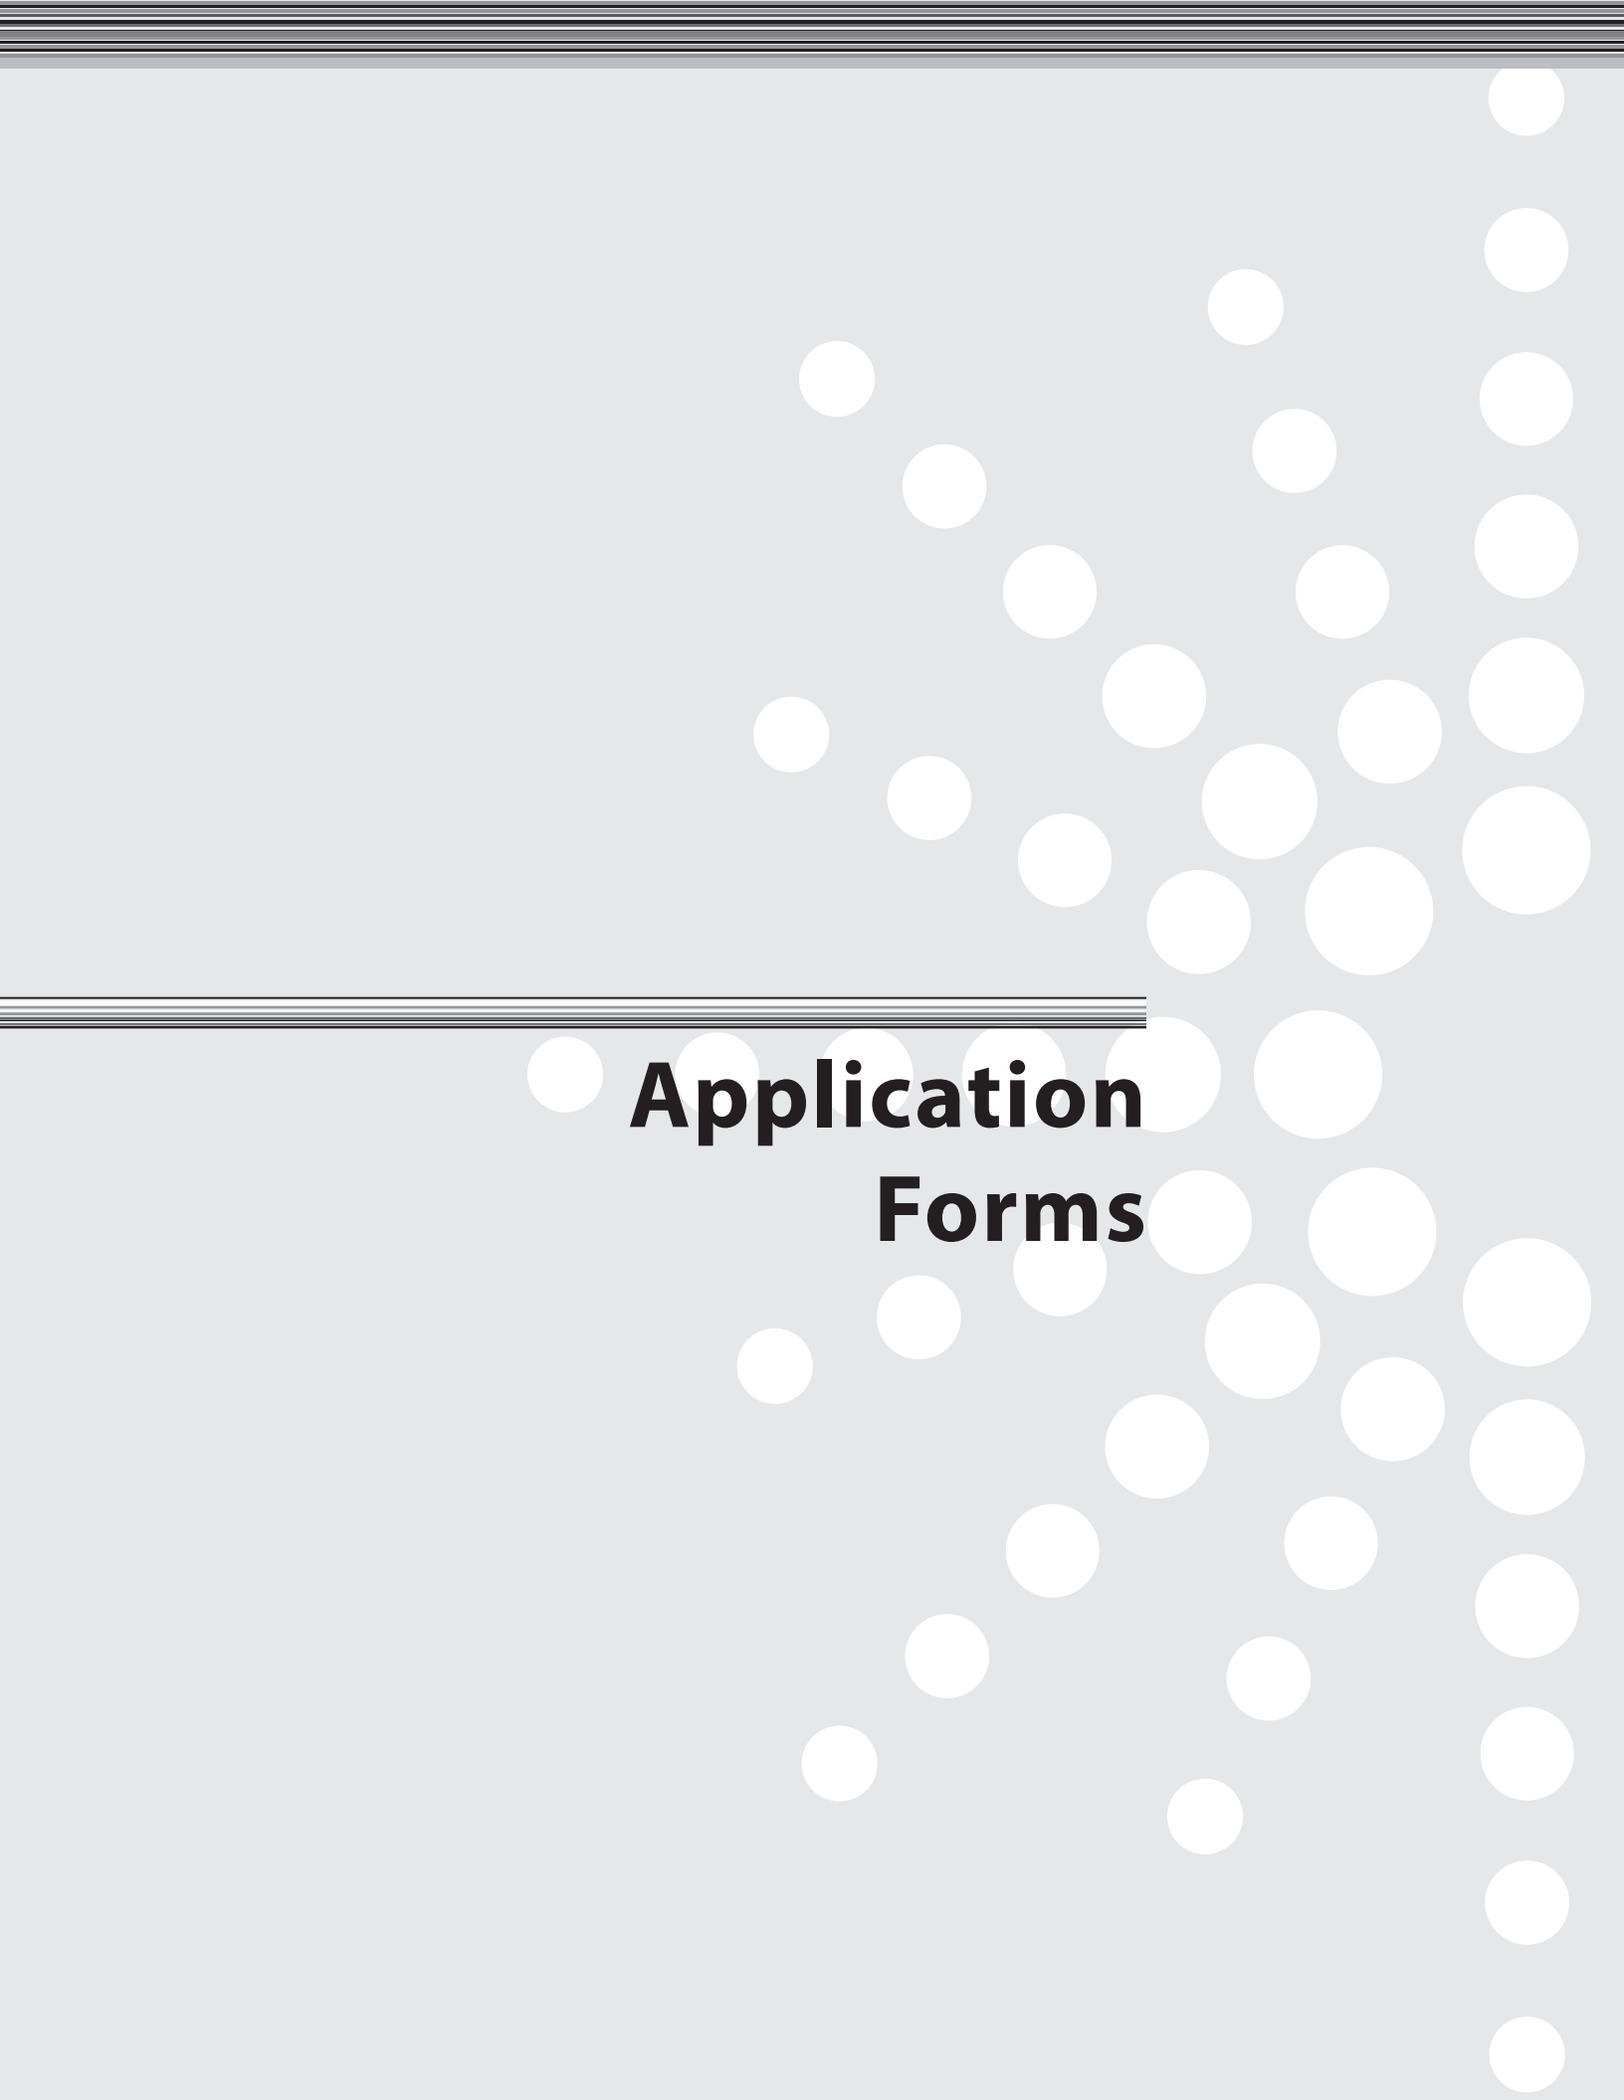

Hand Delivery

IMLS accepts hand-delivered applications between 9:00 A.M. and 4:30 P.M. (Eastern time) daily, except Saturday, Sunday, and federal holidays. IMLS will provide a dated receipt at the time of delivery.

IMLS Acknowledgment

- Within 30 working days after the application deadline, IMLS will e-mail applicants an acknowledgment form with an application log number. Applicants who do not receive this form should contact IMLS to make sure the application was received.
- If an application is received more than 30 working days after the postmark deadline, it may not be sent out for review and may be rejected. See "Shipping," above, for information about postal delays.
- IMLS may ask for proof of shipping if the postmark date on the package cannot be read.
- The U.S. Postal Service does not always postmark packages when it receives them. Ask to have the package dated, then verify that it is properly date stamped.
- IMLS will accept a legible receipt stamped by the U.S. Postal Service or a legible dated shipping label, invoice, or receipt from a commercial carrier.
- IMLS will not accept private metered postmarks or private mail receipts unless they contain a legible date stamped by the U.S. Postal Service.
- If registered mail is used, the green return receipt card does not meet the IMLS requirement for proof of shipping.

Application Forms

APPLICATION CHECKLIST

An application requesting NANH funding should include the following materials:

- Face Sheet: the two-page form on pages 39–40 of this booklet or “Application for Federal Domestic Assistance/Short Organizational Form (SF-424S)” on Grants.gov.
- Program Information Sheet: the three-page form on pages 41–43 of this booklet, which is available as a fill-in PDF form or Word document in the Grants.gov zip file or on the IMLS Web site.
- NANH narrative (not to exceed five pages); include each section’s number and label.
- Budget: the four-page form on pages 44–47 of this booklet, with the detailed budget pages replicated for each 12 month period of the project.
- Text Responses document(s), which will include the following:
 - Statement of purpose/mission statement and history
 - Summary of project activities
 - Schedule of completion
 - Budget justification
 - List of key project staff and consultants
 - Resumes for key project personnel (no more than 2 pages per person)
- Other attachments:
 - Proof of Eligibility (Native Hawaiian organizations only)
 - Current, federally negotiated rate for indirect costs, if applicable
 - Letters of commitment, if applicable
 - Optional attachments (not to exceed 20 pages)

FACE SHEET - PAGE ONE

Please note: Questions 1–4 will auto-fill for Grants.gov applicants and are not required for paper applicants.

SAMPLE SCHEDULE OF COMPLETION

This is a sample format for a schedule of completion (see page 30). You may prepare yours in a similar manner or you may create your own format. Whatever format you choose, be sure to list each major project activity addressed in your narrative, the date each activity begins and ends (month, day, year), and, if part of a much larger project, make sure the IMLS-funded portion is clearly identified. It is critical that the dates on your schedule of completion correspond to the project dates on your Face Sheet (pages 39–40).

IMLS ASSURANCES AND CERTIFICATION

IMLS is required to obtain from all applicants certifications regarding federal debt status, debarment and suspension, nondiscrimination, and a drug-free workplace. Applicants requesting more than \$100,000 in grant funds must also certify regarding lobbying activities and may be required to submit a “Disclosure of Lobbying Activities” (Standard Form LLL). Some applicants will be required to certify that they will comply with other federal statutes that pertain to their particular situation. These requirements are incorporated in the Assurances Statement below. The authorized representative/authorizing official must review the statement and provide the certification in item 9 on the application Face Sheet, pages 39–40.

Assurances Statement

By signing the application form, the authorized representative/authorizing official, on behalf of the applicant, assures and certifies that, should a grant be awarded, the applicant will comply with the statutes outlined below and all related IMLS regulations, which are found in 45 C.F.R. Chapter XI, Subchapter E (Institute of Museum and Library Services). These assurances are given in connection with any and all financial assistance from IMLS after the date this form is signed, but may include payments after this date for financial assistance approved prior to this date. These assurances shall obligate the applicant for the period during which the federal financial assistance is extended. The applicant recognizes and agrees that any such assistance will be extended in reliance on the representations and agreements made in these assurances, and that the United States government has the right to seek judicial enforcement of these assurances, which are binding on the applicant, its successors, transferees, and assignees, and on the authorized official whose signature appears on the application form.

IMLS ASSURANCES AND CERTIFICATION

Certifications Required of All Applicants

Financial, Administrative, and Legal Accountability

The authorized representative/authorizing official, on behalf of the applicant, certifies that the applicant has legal authority to apply for federal assistance and the institutional, managerial, and financial capability (including funds sufficient to pay the nonfederal share of project costs) to ensure proper planning, management, and completion of the project described in this application.

The authorized representative/authorizing official, on behalf of the applicant, certifies that the applicant will cause to be performed the required financial and compliance audits in accordance with the Single Audit Act Amendments of 1996 (31 U.S.C. § 7501 et seq.) and OMB Circular No. A-133, "Audits of States, Local Governments, and Non-Profit Organizations."

The authorized representative/authorizing official, on behalf of the applicant, certifies that the applicant will comply with the provisions of applicable OMB Circulars.

Federal Debt Status

The authorized representative/authorizing official, on behalf of the applicant, certifies to the best of his or her knowledge and belief that the applicant is not delinquent in the repayment of any federal debt.

Suspension, Debarment, and Other Responsibility Matters

1. The authorized representative/authorizing official, on behalf of the applicant, certifies to the best of his or her knowledge and belief that the applicant and its principals:
 - (a) Are not presently excluded or disqualified;
 - (b) Have not been convicted within the preceding three years of any of the offenses listed in 45 C.F.R. 1185.800(a) or had a civil judgment rendered against the applicant or its principals for one of those offenses within that time period;
 - (c) Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State, or local) with commission of any of the offenses listed in 45 C.F.R. 1185.800(a); and
 - (d) Have not had one or more public transactions (Federal, State, or local) terminated with the preceding three years for cause or default.
2. The authorized representative/authorizing official, on behalf of the applicant, further certifies that the applicant and its principals will comply with 45 C.F.R. Part 1185 Subpart C (Responsibilities of Participants Regarding Transactions) and will require similar compliance with Subpart C by persons at the next lower tier with whom the primary tier participant enters into covered transactions.

Nondiscrimination

The authorized representative/authorizing official, on behalf of the applicant, certifies that the applicant will comply with the following nondiscrimination statutes and their implementing regulations:

- (a) Title VI of the Civil Rights Act of 1964, as amended (42 U.S.C. § 2000 et seq.), which prohibits discrimination on the basis of race, color, or national origin;
- (b) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. § 701 et seq.), which prohibits discrimination on the basis of disability;
- (c) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§ 1681-83, 1685-86), which prohibits discrimination on the basis of sex in education programs; and
- (d) the Age Discrimination in Employment Act of 1975, as amended (42 U.S.C. § 6101 et seq.), which prohibits discrimination on the basis of age.

Drug-Free Workplace

The authorized representative/authorizing official, on behalf of the applicant, certifies, as a condition of the award, that the applicant will or will continue to provide a drug-free workplace by complying with the requirements in Subpart B of 45 C.F.R. Part 1186.

This includes: making a good faith effort on a continuing basis, to maintain a drug-free workplace, publishing a drug-free workplace statement; establishing a drug-free awareness program for the applicant's employees; taking actions concerning employees who are convicted of violating drug statutes in the workplace; and identifying (either with this application, upon award, or in documents kept on file in the applicant's office) all known workplaces under the award.

IMLS ASSURANCES AND CERTIFICATION

Certification Regarding Lobbying Activities (Applies to Applicants Requesting Funds in Excess of \$100,000)

The authorized representative/authorizing official certifies, to the best of his or her knowledge and belief, that:

- (a) no federal appropriated funds have been paid or will be paid, by or on behalf of the authorizing official, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of a federal contract, the making of a federal grant, the making of a federal loan, the entering into of a cooperative agreement, or the extension, continuation, renewal, amendment, or modification of a federal contract, grant, loan, or cooperative agreement;
- (b) if any funds other than appropriated federal funds have been paid or will be paid to any person (other than a regularly employed officer or employee of the applicant) for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, the authorized representative/authorizing official shall request, complete, and submit Standard Form LLL, "Disclosure of Lobbying Activities," in accordance with its instructions; and

- (c) the authorizing official shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

General Certification

The authorized representative/authorizing official, on behalf of the applicant, certifies that it will comply with all applicable requirements of all other federal laws, executive orders, regulations, and policies governing the program. IMLS grant regulations may be found at 45 C.F.R. Chapter XI, Subchapter E (Institute of Museum and Library Services).

Certifications Required of Some Applicants

The following certifications are required if applicable to the project for which an application is being submitted. Applicants should be aware that additional federal certifications, not listed below, might apply to a particular project.

Subagreements

A grantee may not make a subgrant (for more details, see 45 C.F.R. Chapter XI, Subchapter E (Institute of Museum and Library Services)). Applicants who plan to use awards to fund contracts and subcontracts should be aware that they must receive the following certifications from those who bid on contracts:

1. certification of compliance with the non-discrimination statutes from institutional applicants and contractors, and
2. certification regarding debarment and suspension from potential contractors and subcontractors who will receive \$100,000 or more in grant funds. Applicants are also required to include without modification the following wording in solicitations for contracts that are expected to equal or exceed \$100,000:
 - (a) The prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.

- (b) Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

Native American Human Remains and Associated Funerary Objects

The authorized representative/authorizing official, on behalf of the applicant, certifies that the applicant will comply with the provisions of the Native American Graves Protection and Repatriation Act of 1990 (25 U.S.C. § 3001 et seq.), which applies to any organization that controls or possesses Native American human remains and associated funerary objects, and which receives federal funding, even for a purpose unrelated to the Act.

Historic Properties

The authorized representative/authorizing official, on behalf of the applicant, certifies that the applicant will assist the awarding agency in ensuring compliance with Section 106 of the National Historic Preservation Act of 1966, as amended (16 U.S.C. § 470f), Executive Order (E.O.) 11593, and the Archaeological and Historic Preservation Act of 1974 (16 U.S.C. § 469 et seq.).

IMLS ASSURANCES AND CERTIFICATION

Environmental Protections

The authorized representative/authorizing official, on behalf of the applicant, certifies that the project will comply with environmental standards, including the following:

- (a) institution of environmental quality control measures under the National Environmental Policy Act of 1969, as amended (42 U.S.C. § 4321 et seq.) and Executive Order (E.O.) 11514;
- (b) notification of violating facilities pursuant to Executive Order (E.O.) 11738;
- (c) protection of wetlands pursuant to Executive Order (E.O.) 11990, as amended by Executive Order (E.O.) 12608;
- (d) evaluation of flood hazards in floodplains in accordance with Executive Order (E.O.) 11988, as amended;
- (e) assurance of project consistency with the approved State management program developed under the Coastal Zone Management Act of 1972, as amended (16 U.S.C. § 1451 et seq.);
- (f) conformity of federal actions to State (Clean Air) Implementation Plans under section 176(c) of the Clean Air Act of 1955, as amended (42 U.S.C. § 7401 et seq.);
- (g) protection of underground sources of drinking water under the Safe Drinking Water Act of 1974, as amended (42 U.S.C. § 300f et seq.); and
- (h) protection of endangered species under the Endangered Species Act of 1973, as amended (16 U.S.C. §§ 1531-1543).

The authorized representative/authorizing official, on behalf of the applicant, certifies that the project will comply with the Wild and

Scenic Rivers Act of 1968, as amended (16 U.S.C. § 1271 et seq.), related to protecting components or potential components of the national wild and scenic rivers system.

The authorized representative/authorizing official, on behalf of the applicant, certifies that the applicant will comply with the flood insurance requirements of the Flood Disaster Protection Act of 1973, as amended (42 U.S.C. § 4001 et seq.), which requires recipients in a special flood hazard area to participate in the program and to purchase flood insurance if the total cost of insurable construction and acquisition is \$10,000 or more.

Research on Human and Animal Subjects

The authorized representative/authorizing official, on behalf of the applicant, certifies that the project will comply with 45 C.F.R. Part 46 regarding the protection of human subjects involved in research, development, and related activities supported by this award of assistance.

The authorized representative/authorizing official, on behalf of the applicant, certifies that the project will comply with the Laboratory Animal Welfare Act of 1966, as amended (7 U.S.C. § 2131 et seq.), pertaining to the care, handling, and treatment of warm-blooded animals held for research, teaching, or other activities supported by this award of assistance.

For further information on these certifications, contact IMLS, 1800 M Street, NW, 9th Floor, Washington, DC 20036. Or call 202/653-IMLS (4657).
